

SENATOR COORDSEN: Senator Wehrbein, you can either withdraw the amendment or move to substitute.

SENATOR WEHRBEIN: Do I get to speak after I...I ask that you substitute. I move to substitute.

SENATOR COORDSEN: This is a debatable motion. The motion is to substitute one amendment for another. I do not have the exact amendment numbers, but, Senator Wehrbein, to open on your motion to substitute.

SENATOR WEHRBEIN: This is very straightforward, Mr. Speaker and members. The original amendment I filed yesterday has to do with sending 3.9 million in unnecessary General Fund expenditures having to do with the Retirement Funds, our contribution to the Retirement Funds. My motion yesterday as filed would put it into the Cash Reserve Fund at the end of the next biennium year, which would be '96-97. This amendment that I want to substitute puts it in in this particular year, in '95-96 budget year, in other words, prior to June of this year. So it's simply doing it sooner, in this case this year rather than next year. Otherwise the amendment is identical, it's the same \$3.9 million. I simply want to do it immediately in this current year rather than delaying it until next year. And that's the reason that I want to substitute the motion.

SENATOR COORDSEN: Thank you, Senator Wehrbein. Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker, Mr. President, members of the Legislature, I'd like to ask Senator Wehrbein a question.

SENATOR COORDSEN: Senator Wehrbein, will you respond to a question, please?

SENATOR WEHRBEIN: Yes.

SENATOR CHAMBERS: Senator Wehrbein, is this substitute motion on our desk?

SENATOR WEHRBEIN: No, I didn't have a chance to hand it out. I don't think it's been handed out.

SENATOR CHAMBERS: It is being handed out?
